Church in the Basement Celebrates Ten Years In late October, 1999, Church in the Basement was launched in the old kitchen space of our church basement. Our church gave significant support to this effort as the Church in the Basement phenomena took root and began to flourish. Now Church in the Basement has become its own independent, free-standing, church. It has a weekly worship service plus many other activities. The worship service is still held in our church basement space. Church in the Basement will be celebrating ten years of God's goodness this coming Sunday, October 18.

Joys and Concerns We want to hold in our prayers our conference, the Pacific Southwest Mennonite Conference. The PSMC executive committee, of which Melinda Hasegawa is a member, will be meeting this coming weekend in Pasadena. In conjunction with these meetings a "mission visioning" gathering will be held on Friday the 16th. Pastors Steve Penner and Juan Montes will be giving leadership to this morning and afternoon gathering.

Peace Center Friday, October 16, 6:30-8:30 Speaker: Speaker: Mark Alvis. Topic: Living Sustainably: The Buchanan Energy Center. Mark will talk about this unique new project on the Buchanan High School Campus.

Volunteers needed for academic projects, role-plays, and interviews. For more information contact Lance Zimmerman at 393-7465 or lzimmerman@alliant.edu.

Mennonite Disaster Service (MDS) Needs You! MDS is looking for volunteers from California to work at the Dulzura fire site southeast of San Diego. Volunteers are needed later this fall, in October and November. If you would like to spend up to a week helping out please call Sarah Yoder of MDS at 717-859-2210.

The Koinonia SS Class invites you to join them in a study of the book "Flickering Pixels: How Technology Shapes Your Faith." This book seeks to raise awareness about being in touch with our faith in a world of high-tech media. In the words of one reviewer, Flickering Pixels seeks to, ". . . educate as to why we should be . . . careful to uncritically embrace the latest offerings from the gods of technology." The Koinonia Class meets at the kitchen end of the Fellowship Hall.
